Article I of the Public Service Notification - Exemption from Examination Rules to appear for Special Tests - T.M. D'Sa recommended.

Serial No. 186 in the Ob Col Reg

T.M. D'Sa, 5th Clerk, Divisional Office, Mangalore was exempted by the Board in its order No. 1513 Mis. dated 8th --- November 1918, from the provisions of Article I of the Public Service Notification to enable him to hold posts carrying pay not exceeding Rs. 30/- per mensem, but was prohibited from ---- appearing for any Special Test He has now put in a petition (copy enclosed) praying that he may be exempted from the ----- operation of Article I of the Public Service Notification so as to enable him to appear for all Special Tests.

The petitioner is spoken of very well by his superior - officers and his attainments in English are said to be far --- superior to those of an ordinary Matriculate or a Secondary -- School Leaving Certificate holder.

I do not consider that there are ordinarily any grounds for exempting a Roman Catholic in this district, but in view - of the long services rendered to Government by petitioner's -- family - viz. his father and grandfather retired as Taluk Head Clerks and his great grandfather as a Dalayet of the Collector - I recommend that he may be exempted from the rules so as to --

enable him to appear for the Special Tests.

For Collector.

Enclosure.

To

The Collector of South Kanara.

and

The Revenue Divisional Officer,

Mangalore.

Humble petition of ------
T.M. D'Sa, Clerk, Taluk Office,
Mangalore, dated 19th July ---
1920.

Honoured Sir,

I most respectfully beg to approach your Honour with - this petition humbly praying that your Honour may be graciously pleased to recommend me to Government for exemption from the Examination Rules in order to enable me to appear for the Special Test Examination and in doing so humbly beg leave to place the following facts for your Honour's kind and sympathetic consideration.

2. I was educated in the St. Aloysius' College, ------ Mangalore and appeared for the Matriculation Examination in - 1909. But unfortunately for me, I failed in one of the subjects. I continued my studies till the commencement of the summer vacation, but could not continue further on account of failure of health owing to an attack of typhoid fever. After my complete recovery, I sought appointment in the Public ----

Service. I have passed the Type-writing Test in the -------- Intermediate grade. I need not submit that the St. Aloysius' College is an institution whose standard of English is known - to be higher than that of any other Educational Institution of the District, and I may be permitted to humbly add here that - my own knowledge of English, as is testified to by my superiors, is not in any way inferior to that of others whom Government - have been pleased to exempt from the operations of the Public Service Notification and permitted to hold appointments carrying a salary of Rs. 50/- a month. But for the bad state of my health at the time, I would have continued my studies and ---- could have passed the Matriculation Examination without much - difficulty as I was not below the average in the class.

3. I am the permanent Typist of the Mangalore Divisional Office on Rs. 20-1-25 having been confirmed as such in June 1919 since the conversion of one clerk of the said office as a ---- Typist and now acting on Rs. 25/- in the Mangalore Taluk Office. As it is now one year since my confirmation as Typist, I draw permanent pay of Rs. 21/- per month.

4. On 7-10-1918, I submitted a petition to the then --- Collector praying for my exemption from the Examination Rules and at his recommendation the Board of Revenue have, in their order B.P. No. 1513 Mis., dated 8-11-1918, been pleased to ---- exempt me from the provisions of Article 1 of the Public ----- Service Notification to enable me to hold posts carrying pay - not exceeding Rs. 30/- per mensem. Since then I am acting on Rs. 25/- per mensem. I count a total service of 9 years ----- 9 months and a pensionable service of about eight years having been confirmed in 1912.

5. I belong to a poor family which is entirely depending upon the earnings by serving the Government from my great ---- grandfather onwards. Both my grandfather and father retired from Public Service as Taluk Head Clerks.

6. Since my transfer to the Taluk Office in 1915, I have

been doing independent works of important kinds and I believe to have given entire satisfaction to my superiors in the ---- discharge of my work.

7. As to my abilities and character, I need not submit anything, as the copies of the testimonials from the Collector, Divisional Officer, Tahsildar, Sub-Magistrate and the ------- Principal, St. Aloysius' College, Mangalore, herewith ------- submitted, will speak for themselves.

8. A candidate who has appeared for the School Final - Examination corresponding to the old Matric is now eligible for appointment in the Public Service and also eligible for - appearing for all the Departmental Tests once he is entertained in the Public Service. I beg respectfully to urge that my - attainments are not inferior to those of a School Final candi- date and only request that I who have experience of office -- work may be admitted to the privileges accorded to a School Final candidate of that description.

9. Under the present circumstances, I cannot aspire to get anything above Rs. 30/- till my retirement. I therefore most humbly pray that your Honour in consideration of my past service and in consideration of my individual case without -- taking into consideration the number of passed men available either in my community or in other communities in this Dis- trict be graciously pleased to recommend me to Government for permission to appear for all the Special Tests.

For which act of kindness, I shall ever remain grateful.

I beg to remain,

Honoured Sir,

Your most obedient servant,

Sd/ T. M. D'Sa.

2. I can confidently say that the applicant's attainments in English are far superior to those of a Matric or a -- School Final man. He is well up in his work and is capable - of doing any work entrusted to him in a Taluk Office. He is quick and hard-working. His prayer for permission to appear for the Special Tests deserves favourable consideration.

2) Endorsements on the petition praying for exemption.

Submitted through the Revenue Divisional Officer, -----

Mangalore for favourable consideration.

2. The petitioner was my clerk when I was Sub-Magistrate, Mangalore and his services have been lent to the Taluk Office as an act of favour. He has given me complete satisfaction in his work and his abilities are above the average. The -- fact that he belongs to a poor family entitles him to a ----- special concession.

Sd/ H. Sankara Rao,

7th October 1918. Tahsildar.

Submitted to the Collector of South Kanara. I know - the applicant personally.... He was brought to and retained -- in the Taluk Office because the clerical establishment there was very poor. I found him to be a hard-working, honest and willing clerk. Though he is an unpassed candidate, his ---- knowledge of English and his capacity for work, is far above that of many of the passed candidates now working in the ---- Mangalore and other Taluk Offices. I strongly recommend that he may be recommended for exemption from the provisions of the Public Service Notification and for permission to appear for the Special Tests.

Sd/ Marian S. Pais,

7th October 1918. Rev. Divisional Officer.

3) Endorsement on the petition praying for the Typist's post in the South Kanara District Forest Office.

Submitted and recommended. The applicant is a hard-working and honest clerk.

I agree. A good Typist and a well behaved clerk.

4) Clerk T.M. D'Sa served under me for six months ---- while I was at Mangalore. He was a mere beginner but still

he discharged the duties of a Magisterial Clerk satisfactorily. He is smart, willing and well behaved young man and deserves - every encouragement.

E 3628/20 (cf. pp. 1-7)

To the Assistant Secretary

In 1918 the Collector recommended that T. M. D'Sa might be exempted up to Rs 30/- and that he might also be permitted to appear for the Sp Tests. The former was granted. As to the latter, he was informed that, under the Special Test Notification then in force, permission to appear for the Sp Tests could not be granted by itself and that it could only accompany exemptions to hold any particular tests for which any Sp. Tests are prescribed and so D'Sa could not appear for the tests.

BP. 1513 (Ms) 7-11-18 (Q)

(I)

The above said rule has been modified last year in G.O No. 10027 16/8 and the Govt. has now the right to grant permissio

(T)

to any person they think fit
The Chr now addresses the Board
with a view to D'Sa being
recommended by the Board to Govt. (cf-p.1)
for permission to appear for Sp. Test

The Board generally recommends
only the applications of those Candidates
who are already permanent on
Rs 30/- and are ~~being~~ proposed to BPs Rl. 2004 & 1997
be appointed on Rs 30/-, the last 7 21/8/20.
post for which any Sp. Test is (In issue)
prescribed. Exceptions ~~may take~~ In this case Case
place where there are special Cir-
cumstances to be reckoned with
as in the case of Ganjam where
there is always a paucity of passed (4)
hands to hold Rev Inspectors' posts.

In the present instance there
are no such Special Circumstances
to be taken into Consideration - It is
perhaps doubtful whether the long
Service rendered by the Candidate's
ancestors can be taken as a Special
Circumstance -

D'Sa is permanent Bpeist on Rs
20-1-25 grade. He is a ~~Deco~~ Roman Catholic
and has put about 7 years of permanent
Service
